

## Rough Draft CLA board meeting April 4, 2024

Meeting called to order by Vice-President Mike Motzko at 6:32 pm

MSP to accept the agenda Jackie A./ Bill K.

Minutes from March approved

Mike M reported on his discussion with Craig Wills regarding the weir.

Rock was added in 1994.

There is evidence of some degradation since.

Beaver activity nearby.

DNR approval would be required to make any modifications.

Lake level is below the weir at this time.

Mike M. To ask Craig if CLA could do anything.

Initially, Mike Mueller - DNR recommended a permanent structure

Dick B. Presented the treasurers report.

General fund at \$10,186

Fish stocking at \$3,375

Invasive Species at \$495

Total \$14,056

Current membership at 29

3 comments on membership forms:

Kinsman - Thanks for CLA efforts

Martin - requesting update on fish stocking

Maloney - concerns re: algae and wake boat disruptions

MIke C. To respond

MSP to accept the treasurers report Dave F. / Jackie A.

Possible new board member not present. Topic tabled.

Annual Meeting debriefing:

Meal and meal options were Good - although delayed

Fewer attendees than anticipated

Programming was good

Subject matter from 3 speakers was somewhat repetitious.

Recommend using survey monkey for feedback

Screen size was a bit too small

Set meeting date to allow for more lead time.

Consider early to mid May for next meeting.

Mike M reported on fish stocking

Permit has been submitted

Awaiting delivery date.

\$4,400 total - 100 lbs sunfish, 110 lbs walleye

Question? ARE AIS treatment chemicals bad for fry?

Mike M. To get list of chemicals from Lake Management to evaluate.

Bylaws Committee to make recommendations for changes to CLA Board

Tom H. And Jeanine H. Offered to assist Jackie.

Jackie presented a smorgasbord of grant options available to consider.

Details to be emailed to board members.

Proposal to consider optional meeting dates discussed.

Submit your preferred dates to Mike C.

Discussion regarding Zebra Mussel collection plate locations.

6 to be installed by the end of April from Sawyer Lorentz.

6 additional from the CLFLWSD.

Placement to be evenly around the lake./

MSP to adjourn at 7:40 Mike C. / Jeanine H.
